Dear Sir William,

The purpose of
this note is to make known
to you, my intention of
opening a private school
for girls, in New York City,
where I have been en-
gaged in teaching, du-
ring the past five years.
Presuming upon your
past kindness in giving
me a letter testifying

to my success as a teacher in the Montreal Schools, I now beg to ask the privilege of using your name on my list of references. I shall deem it an honor to have a name so distinguished and so long preeminently associated with educational matters.

Trusting that you are

enjoying good health
With kind regards
Believe me

Respectfully yours
Catherine M. Stee.
