

Ottawa, 6th. Oct. 1896

Dear Sir A.

You can leave the
stuff at White's, but the
illustrations will come here
& be sent to the Government
Printing Bureau, unless you
prefer doing them under your
direction at Montreal.

We shall have an important
Council meeting at Montreal
on Wednesday 11th Oct., so I do
& if necessary we should
have your assistance. It
is the Halifax meeting that will be
under consideration.

Yours sincerely,

E. G. Bourne
