Sir William Dawson,
Montreal.

Dear Sir,

The Directors of the Numismatic and Antiquarian Society have decided to organize a series of entertainments for the coming season, consisting mainly of lectures on historical subjects. In view of your thorough knowledge of the history of old Hochelaga, we have thought it fitting that you should inaugurate the lectures with a paper on this subject. We sincerely trust you can spare the time so to do. We leave the date to be fixed by you; and I may add that November, if suitable to you, would be quite agreeable to us.

Hoping to be favored with an early reply,

Remain,

Dear Sir,

Yours Truly

C. G. Harwood
Acting Secretary.

I have the pleasure to acknowledge the receipt of your letter of the 21st inst. in relation to the purchase of the book on the subject of the coins of the Province of Quebec, which I have the honor to enclose herewith.

The success of the Numismatic and Antiquarian Society has been due to the assistance of a series of subscriptions for the amount of \$1000.00, consisting mainly of letters in historical subjects. In view of your thorough knowledge of the history of the Province, we have thought it fitting that you should be invited to the lecture which a paper on the subject of the coins of the Province of Quebec is to be given by you. The time is to be fixed by you and we are quite prepared to do so. It is our hope that you will be able to attend and we are quite prepared to do so.
