

Boston 16th Oct 46

My dear Sir William,

I am very much gratified by the honor you do me in wishing to associate my name with your last book, & should you carry out the thought I might be designated as Vice President of the American Academy of Arts & Sciences as well as the Trustee of the Lowell Institute.

I was very glad to see your name in England this summer, & to know that you were well enough to enjoy your visit there.

I have myself just returned from a short trip to Europe to bring

my daughter home, & only landed in
New York on Wednesday, which will
explain the tardy acknowledgement of
your kind note.

With my best regards to
Lady Dawson.

I am

Very sincerely Yours

Augustus Lowell
