Dear Sir

Sir, Excuse my sending for
your permission, and opinion
on part, of one of Three Books
now in manuscript - called
"The Jewish Legend",
"The Jewish Seal", and
"The Spiritual Rainbow"
or "Old things in New Light".
They aim to persuade God's
people to fulfil the Prophecy
in Isaiah, 11-12 - by setting
prejudice aside, and planting
Christ's message over all
the Earth, and Nations
By uniting our Three Sabbaths
now imperfectly kept -

into one - thus enabling
all nations, to give our ^{"Great}
Creator, "Universal Hallelujah",
as "our True God" -
preparing the Earth for
Christ's return, as
"The Messiah".

Redemphion's work is a
complete work, not
intended for a few Christians
only, but for all who
in every age, enlisted
in God's Army.

Our return to Earth in
a glorified Body, as
Christ did, will be a
more wonderful work,
than if God had prevented

"Eol" from winter's storm blood,
He thus he so, brow frown'd the high-leon's
Heard, sigh to see no comfort on
single painted warfare, against - Bill,
Which is proving so great a failure,
I have spent - and great - but - a long
like in searching for the unknown spot,
From which we all have strayed!
It will take at least a thousand dollars
to give the work a proper trial, for
as they favour no secret or secret

No Publisher will undertake
to print them, - still
I hope and pray that
I may live to see them
tried.

I am, Sir,

with all respect,

Your obedient

Miss) Jane Porter
