Dear Sir

I must write and  
thank you for making  
inquiry about Engineering  
work for me & also for your  
kind advice. I believe  
that the way will be opened  
up to me by my heavenly  
Father. "Patient waiting" I  
think one has said "is often  
the best way of doing Gods  
service" May I have grace

thus to wait. Again thanking  
you for your kindness in  
taking such interest in me

Believe me  
20/11/90

Yours sincerely

Thank you for your  
kind advice. I believe  
that the way will be opened  
up to me by my beautiful  
father. "Patient waiting"  
think one has said "often  
the best way of doing good  
is to have grace"
