Dear Sir William Dawson

You will have long since duly received  
I hope the bound books. They were sent  
about 3 weeks ago of J. D. E. Grafton Sons.

I set went to Hope J. Atkins Esq  
Rock Ferry Sep 25. The copy to  
D. Dawson was not sent.

We shall have the proofs back  
soon, no doubt, & we shall hope to issue  
the volume in January, before the  
book season is over

With every good wish for  
the coming season for you Lady  
Dawson, Believe me

Yours sincerely  
Sir Wm Dawson & Co. M. A. Hodder

P.S. You will be sorry to hear that my dear  
Wife had an accidental fall about 3 weeks ago  
& fractured her left thigh. She is mercifully  
doing as well as possible, but it must be some  
weeks before she can leave her bed
