Dear Sir William Dawson,

I expect to be in Montreal about the end of next week and am looking forward to the pleasure of meeting you and discussing the enterprise which I have in hand.

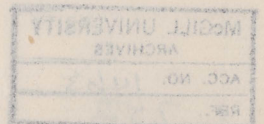

I trust that nothing will occur to prevent my seeing you and I feel almost sure that when you appreciate the importance which an article from you would have in connection with a work of this nature you will consent to my suggestion.

With many thanks for your kind letter,

Believe me,

Yours faithfully,
