

Mr Finley

2, Bishop Street,
Montreal.

19th July 1897

My dear Sir William,

I regret I was unable
to see you after our meeting at
the Bible House on Wed evening,
& since then, I have been rather
under the weather with a severe
Cold but am better

I beg to report that
we had the best of the
members of the Finance
Committee present, any work
done was only suggested to
be placed before the next
meeting of the Society

1st Thursday in March, when
you will have an opportunity
of suggesting improvements on
our proposals

I regret to hear
you have been poorly & rejoice
to know you are able to be
about again

With sincere regards

I am faithfully yours,

Sam. Milnes

To Mr. Dawson K.C.M.G.
