

Stanley St. Presbyterian Church.

Rev. F. M. DEWEY, Pastor,
Residence, 16 Stanley St.

Montreal, 16th March 1897

Dear Sir Wm Dawson.

Our meeting of the Executive of the Evangelical Alliance was a small one this afternoon. It was agreed to favour the visit of Mr Arnold and to do what we can to make it profitable should he come. The copies of Mr Heine's paper will be kept to distribute a little while before Mr Arnold comes, so as to aid in stirring up an interest in the Alliance.

We spoke at length of the future work of the Alliance in the City and agreed that we should try to make the week of prayer a greater success than it has been for some time. We will try to group congregations in different parts of the City and have union meetings at Point St Charles, the East-End, the North East, the Centre and at Westmount. We hope this may prove acceptable and a greater power for good to the City. I sincerely trust our loving Father may greatly increase your physical strength.

Yours very sincerely
F. Dewey
