Dear Sir W^m Dawson

I am thankful to
Lady Dawson and yourself
for your generous contri-
bution towards our Chinese
work. I will give it to Dr. Thomson
and ask him to use it for
his own family's comfort,
and am sure he and Mrs.
Thomson will be very grate-
ful to you for it.

I mailed a letter to you yesterday to inform you of what was done at the meeting of the Executive of the Alliance.

I have also written to Mr. Arnold. You will receive by mail a parcel of Mr. Hume's pamphlet and, should you require more, please let me know and I will send them.

I am anxious to see the Alliance brought into more favour here as I think a good work might be done by it.

Trusting your health is steadily improving.

I remain
Yours sincerely
F. Dewey
