Dear Sir:-

I send you herewith proof of an article entitled "The Case for Evolution" which has been written for THE YOUNG MAN by Dr. Andrew Wilson. Do you think you could very kindly find time to write an article in reply to Dr. Wilson's paper? I am most anxious that the readers of THE YOUNG MAN should have both sides placed before them clearly and definitely. I shall therefore be very grateful if you can render us this service. There is no immediate hurry for the copy - it would do any time during the next two or three months - and I would send you a cheque for three guineas immediately it reached me.

Yours very faithfully,

J. H. Murray
