Dear Sir--

The book has been printed in New York. 200 copies of the sheets have been imported here. and have gone to-day to the Bindery. I do not think. however. that they have bound any sheets up yet in New York. as they thought it a trifle late in the Spring to publish. but it suits us alright to publish it now in Canada. and the book will be ready inside of ten days now. It might be well for me to send this letter at once to our New York Manager and have his impression as to whether it would be advisable to print the extra page here or in New York. and have them import them to us for insertion I shall ask him to reply promptly to this so that there will be no further delay.

Yours truly.
