

## BRITISH ASSOCIATION FOR THE ADVANCEMENT OF SCIENCE

TORONTO MEETING, AUGUST 18-25, 1897.

Toronto, June 7<sup>th</sup> 1897.

My dear Sir,

Your letter was handed to Mr Macallum who wishes to answer it himself. I beg, therefore, to acknowledge it formally to state that Principal Sheraton of Wyclif College is willing to attend to the arrangements for the devotional meeting. At any time I am at your disposal in connection with the work of the local committee and shall answer promptly any enquiries you may be pleased to put. I earnestly hope your summer arrangements and your health may enable you to be present at the meeting of the British Association.

I am,

Very faithfully Yours,

A. H. Colquhoun

Secretary.

My dear Sir,

Your letter was handed to Mr. Macmillan who wishes to answer it himself. I had, therefore, to ask Mr. Macmillan to state that I am sorry to be unable to attend the meeting. It is a pity that I cannot do so, but I am at present in London and shall answer promptly any inquiries you may have. I am, however, glad to hear that you are well and hope that your health may enable you to be present at the meeting of the British Association.

I am,

Wm. Brewster  
 R. B. S. P.

Very faithfully yours,  
 Wm. Brewster
