My dear Sir William Dawson

I have to thank you for your
Post Card of June 1, Letter of June 2.
In the latter you ask for the new page
of illustrations to face page 316, but
in the paper accompanying blocks
(which have now arrived) you see the
face p 216. I take the latter number of
page to be the right one, & will have it
inserted in copies not already bound.

Your receipt duly reached me before
I left New York. I am going today although
my grandson & I safely arrived at home, I
caught a severe cold on the steamer which
developed into a sharp attack of Asthma
& I have been in the Doctor's hands ever since,
but I am happy to say I am getting better.

With kind regards to Lady Dawson Yourself

I believe me

Yours Sincerely

W. H. Hodder
