Sir J. W. Dawson

Dear Sir William,

I am in receipt of your esteemed letter, dated the 7<sup>th</sup>, with Dr Robins letter to you enclosed re Elgriffins Children & the School. I beg to thank you for your kindness & the trouble you have taken in this matter, and as you suggest application will be made early in Sep<sup>r</sup> to Dr Robins & also to the School Commissionrs. the latter application on the ground, that the School Children are admitted to the Museum free on Saturdays.

We are having a new roof put on the N. H. S. building, and the Museum tinted and otherwise improved, so as to look as well as possible should any members of the "British Association for the Advancement of Science", or the "Medical Association", pay us a visit when meeting in Toronto & Montreal - both of which have recd invitations - If you are in the City I hope you will look into the Museum.

I remain

Dear Sir William

Yours Very Sincerely

John S. Shearer
