Dear Sir William,

In reply to yours of the 16th I may say that Dr McMurich has resigned or withdrawn his application. I do not know either of the young men referred to in your letter as I never chanced to meet them at Wood's Hall. According to the Gazette this morning they have appointed McBride of Cambridge. I met him there last summer and must confess that I was not very much impressed by him, though he may be a good man.

Very sincerely yours
W. Deeks
