Dear Sir William

Thanks for your
letter, and its enclosure
which you kindly sent
me, and which reached
us just as we were
returning from a Plea-
sant, tour on the con-
tinent, with my daughter
Mrs. Bach and her
husband.

I am very glad to

learn from you, and also
from my daughter Mrs.
Macdonald, as well as
from the newspaper
report, that the Dev.
meeting at Toronto was
so well attended and so
successful. I trust
it will do good. I am
especially glad that
you wrote them the
letter which was read
and is printed in the
papers; all the more

because there seems to
have been a lack of
representatives of British
Nat^l. Science among
the speakers. Mac
Alister was I believe
unavoidably prevented
attending the meeting.

Trusting that your
health is better, and
with very kind regards
to Lady Dawson,
I remain

Sincerely yours

J. H. Gladstone

Sir J. Wm. Dawson F.R.S.
