My dear Sir William Dawson

I am sending you proof
of your papers by present mail
and hope they will reach you
safely. Please return at your
early convenience and let me
know the style in which you
would like me to set them
up as a booklet. Perhaps
this you may like to set done
on the spot. Perhaps this will
be the best way?

With kind regards

Believe me

Yours very sincerely,

M. A. Hodder
