GEOLOGICAL SOCIETY,

BURLINGTON HOUSE, W.

Oct. 16<sup>th</sup> 1897

Dear Sir,

In answer to your letter to Mr. Belinfante I am sorry to say that up to the present I have been unable to identify the specimens you ask for. Mr. Sherborn has been working over them, re-cataloguing types, & has been unable to find them. All your specimens here are all carefully kept in the inner-museum & I know of no others. As soon

as I have time I will go over  
them again & let you know  
should they be found.

I remain,

Yours obed<sup>tly</sup>
