

My Dear Sir William,

I cannot sufficiently express to you the deep sense of gratitude I feel for this renewed token of your kindness to me a proper appreciation of which I wish I were more able to show. 'Eden East & West' I shall always treasure particularly because it was the gift, and issued from the pen of one of the most voluminous religious scientific writers of the century, I know I shall

find pleasure and profit
in perusing its pages and
I trust and hope Dear Sir
William that you may be
long spared to add many
more such volumes to the
great storehouse of knowledge
which will be for the guid-
ance of future generations
in their search after the Truth.

Believe me

Your affectionate friend & pupil
