

MEMORANDUM from the

McGill Normal School.

32 BELMONT STREET,

Montreal, P.Q.

Dec 28 1897

Dear Sir William Dawson,

My first care after the accompanying book was printed, was to order the preparation of a copy for you; but the matter was delayed by the binder.

I have been very sorry to hear of your increasing weakness. If I could give you a year or two of my remaining vigour, I should be sorely tempted to disregard the claims of my family and give it. But you have the consolation of remembering that while your strength lasted you gave it without stint to everything good.

Yours very truly
J. J. Hopkins
