My dear Sir William:

Our

N.Y. McGill Graduates' Society provides for a list of Honorary Members, and I have been asked to see if you would do us the honor to allow your name to head

the list. - I need
not assure you
in what affection-
ate regard you
are held by your
former pupils.
The mention of
your name al-
ways awakens
pleasant asso-
ciations and
recollections of
the many kind -

Wicks at my own hands, of
which we have been benef-
its. With kind regards
to my dear, I am

Yours faithfully

Other members of your family
are well. As for ~~yourself~~
my dear and honored
friend my fervent prayer
is that you may be long
spared to your family,
your friends and to the
cause of truth which you
have so long and so
nobly upheld.

Ever Sincerely Yours
Robert Laing
