Sir Wm. Dawson,
LL.D. F.R.S. &c.

Dear Sir William

I have to thank
you for so kindly sending me a
copy of your pamphlet on "Creative
Development & Evolution", which I have
read with the greatest interest.

I fully believe in the principles you
lay down, and am hoping that they
will in a while supplant the materi-
alistic views that unfortunately seem for
the present to be so popular.

I pray that God will raise

up rationalists like yourself who
will defend the truth against the
attacks of atheists and agnostics.

Praying for you comfort and
peace amidst your physical weak.

Yrs. I am, yours most sincerely,

Joseph Auttiff.
