Dear Mr. Lighthall,

Your favor of yesterday reaches me this morning. The subject is one in which I have collected additional information since the publication of "Fossil Men"; but it is still in rough manuscript. Should my strength permit, I shall be glad to look it over and write to you; if I am not able to do so within a few days, would you kindly call

on me, and I may
place the manuscript
in your hands.

Yours truly,

Dictated,

J. M. Dawson,
