My dear Sir William,

Your note of 10th inst. was handed to me some days since by the present Secretary of our College Y.M.C.A. Mr G. W. Irving of Arts '01 but until now have not had a convenient opportunity to give you the information requested.

Your kindness in remembering us without a reminder is I can assure you very

Much appreciated as  
also the many tokens of your  
thought for us which we are  
constantly receiving.

I may mention that to the  
present date our membership  
exceeds that of last year and  
we have good hope of increas-  
ing it further.
