Sir J. Wm. Dawson,
Montreal, P. Q.
Canada.

Dear Sir and Brother :-

I have been pleased to receive four copies of your book, "Testimony of the Scriptures Respecting Wine and Strong Drink." I suppose you sent them, and I thank you very much for them.

I mailed you yesterday a copy of my "Roger's Travels," of which a new edition is just out. I suppose you will never have time to read it, but perhaps your son may. God has blessed it in leading many young people to Jesus.

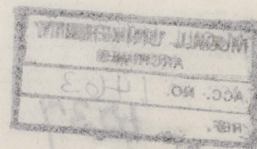

I remember with much pleasure how you stood by those meetings in the old James St. Church, also how your son went with me to Quebec and what a good work he did for the Lord there.

I am recently home from a two month's trip in Minnesota and Nebraska, where I visited twenty two places in the two states, staying only two or three days in a place. The State S. S. Superintendent went either before and prepared the way, or with me. The blessing was great and immediate. About two or three thousand professed conversion in all.

With our united kind regards, I am

Yours in Jesus,

E. P. Hammond.
