HEBRON,

MERTON HALL ROAD,

WIMBLEDON.

Dear Sir William -

Very many
Thanks for your letter.
How very kind of
you to write to me -
when your strength
ought to be saved,
for putting down
valuable thoughts

for all posterity -
I shall keep your
kind words always.
I have read your
lecture ~~of~~ ^{the} "The Spirit
of the Vine," with joy
& relief - & shall
give the six copies,
so kindly sent me,
as Christmas gifts -
I earnestly hope to

continue my \$100
sub^{scr} to the Biblewoman
but after due consi-
deration^{of} find I can-
not give more - my
service for God in
regard to His People
Israel, daily increases,
& gives me thus hope
that God is favouring
my labours for Him.
May the very God of

Peace Himself be
continually, as He is,
by your side - & Be-
lieve me, dear

Sir William, very
truly yours in Christ
Jesus our Lord -
Marie-Louise Caprican.
