**LONDON, May 6 1899**

Dear Sir William Dawson,

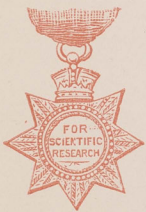

Many thanks for your kind letter. I should like to belong to one of the Societies of Canada or to your University.

If Dr. Craik (Dean of the Faculty of Medicine) would care to be elected an Honorary Fellow of the Society of Biological Chemistry, I will do my best for him. With kindest regards.

Yours sincerely  
A. B. Griffiths.

I believe

a Dr. Robert Craik was once a Professor of Chemistry
