

Montreal West July 22/99.

My Dear Sir William:

The Montreal
Auxiliary Bible Society
appointed Revs H. M. Torgy
and G. C. Heine with myself
to draw up a circular
letter. I withheld the
letter, badly defaced,
untill I received printers
copy and proof that
you might be able
to read it more easily.

Will you kindly allow
the signature of your
name as President

to an issue of 10,000
more or less.

I believe that it would
add much weight to
the facts and quotations
which I have in print.

As I wish to issue this
4 paged tract soon
I shall be pleased to
have an answer at
your earliest con-
venience.

Yours sincerely,

Thomas V. Bennett
