Presbyterian College,

Montreal, Oct. 20th 1899.

My dear Sir William,

I have just returned
from a meeting of our Foreign
Mission Board in Toronto
& find your memo. on my
desk. I send you herewith
my working copy of the
Westminster Confession.

In Dr. Schaff's "Creeds
of Christendom", 3 vols. we
have all creeds that are
any amount & the

discussion of Confessions
that led to the framing
of the best of them, the
one I now send you.

I am glad to hear
of your improving health.
I am exceedingly busy
just now, but to be able
to call soon.

Yours very truly
D. H. Macvicar
