EAST GRINSTEAD.

Dear Sir,

Believing that you are interested in the work to which we have put our hearts and hands, I venture to enclose a copy of the Object and Basis of the W.P.U.; at the same time I would invite you to join us as an Associate.

While becoming an Associate does not necessarily involve any Co-operation beyond prayer - which we most earnestly desire - and influence - we are very thankful for active co-operation.

Our Associates are admitted on payment of not less than One Shilling annually and we supply each with a

copy of "The Protestant Woman" monthly, thus keeping them in touch with the progress of our work. They give us valuable assistance by presiding at Meetings, giving Sermons, lectures, addresses &c; by contributing to the pages of our Magazines; by enlisting Members; by supplying us with information; by suggestions as to control, management and methods of work. Questions are sure to come to the front in such a work as ours in which a man's calm judgment and ripe experience of men and things are most valuable. Associates therefore are heartily welcomed.

Trusting you may be led to give us the encouragement & support of your Co-operation,

I remain, Yours very sincerely,
W. N. Arbutnot
