

August 10th

Trinity College,
Cheltenham.

Dear Principal Dawson,

The Husband of
one of my very good pupils
is going to Canada, and
I promised him an intro-
-duction to you. He was
fellow of his College, and
is now a Chancery Bar-
-rister. Especially does

He work very hard in
the cause of social reform.
I hope the change will
refresh him.

I have intended to thank
you for the interesting
papers, you were kind
enough to send me. There
is one thought on prayer -

of man's needs, calling forth
God's love, that so often
comes to me.

Your young friend is looking
k very well - and bright as
ever. She is gone to Scotland
with some very nice people.

I send you a notice of
a Teachers' Guild - I wonder

if you would establish
a Canadian branch.

With kind regards to
Mrs Dawson,

Yours sincerely,

D. Beale
