My dear Sir William

I cannot
send you an ordinary
Thank you for your
little book.

My pride was gratified
and my heart was
touched by your kindness

in thinking of me.
I rejoice that the
Giver of every good
& perfect gift has
been soaped to answer
prayer on your behalf
& give you that measure
of health & strength that
you now enjoy.

May your last days,
be your best days, &
May the Deer of Patmas

help many to join
that little company
that wait for the Lord
Jesus.

Again thanking you
not only for the book
but also for writing
my name on it.

Ever yours affly

Acclaiide Campbell
