Dear Sir William

Madame de Sterneck
with her son Paul
have been with us for
the last three weeks.
She is most anxious
to get him as a
free Scholar into the
High School this Autumn.
She wrote to Canon Norman

on the subject in
June, and he said
that nothing could
be done until the end
of this month.

I thought that you
might be kind enough
to use your influence
on her behalf, as
it will be a hard struggle
for her to support herself.

and her son by
her teaching.

I hope that you
have had a good
rest this summer,
and that you are not
going up to worries.
Cacoon has been
very pleasant and the
hotel has been full
the whole season.

will you give my
love to Lucy Dawson
and Eva I trust
that they have been well
all Summer and have
been enjoying themselves.
With kind regards

Yours very truly
Adelaide. R. Campbell
