

Dear Dr Dawson

I don't know what to say to you for all your great kindness! It is all your doing & I am only afraid that Philip ~~will~~ not have liked it.

I don't understand how so much money sh^d be paid & I hope you will let me send any other books you think worth it to make up for the large sum!

But now dear Friend,

you have acted & do
act like a friend
no more like a brother
to me in my great
trial & I hope you
will let me speak
to you as such.

You paid such a very
large sum for the
lot in the cemetery
for me. Will you not
do me the great
kindness & let me
repay you \$25,000, so
that we share it!
I shall be equally
grateful to you & it

w^d ease my mind, so much,
Please let me do so &
believe me ever

Yours very gratefully
Minna M. Carpenter
