

# The Congregational Church,

WATFORD, ONTARIO,

Worshiping in a barn-like structure, in an out of the way corner of the Town, desire to build a suitable place of worship in a central part of the Town. The church is weak and unable to do so, and therefore makes this appeal to Congregationalists for such assistance as they are disposed and able to give. As the 50th Anniversary of this church is nearly at hand, we desire to celebrate it by the opening of a respectable place of worship, and trust that this appeal will be answered by a small contribution.
