Windsor Hotel,

Saturday p.m.

Principal Dawson,

Dear Sir,

I can hardly claim an acquaintance with you, though I remember a pleasant evening in your company at New Haven & a subsequent exchange of letters with you after I went to Baltimore; but I should not like to pass through Montreal without paying my respects to the head of McGill College, & so I venture

to ask if I shall find you
at home some hour this
evening or tomorrow. I go
to Quebec on ~~Tuesday~~ Monday.

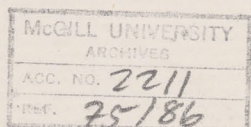

I am, dear Sir,

Respectfully & Truly

Yours,

D. B. Gilman

Pres. of the Johns-
-Hopkins Univ^y in
