

29 Hawkins St
London W.C.

Dear Sir

I enclose a circular giving
the nature, object &c of a work - the
result of much study and time -
which I purpose to publish shortly

You will see that it has met with
the approval of scholars who have
read the Manuscript

The price being merely that usual
for works of like kind and extent, it
would require a very considerable
number of copies to be subscribed
for to cover the expense of publishing &c
- an expense which otherwise I could
not incur

In the undertaking I rely for support

on the Clergy, - the Medical Profession
and the more highly educated who
take an interest in Biblical questions
and hope that you will allow me
to include your name in the list of
subscribers - Should you do me
this favor, a reply at your earliest
convenience would much oblige as I
am anxious to complete the list as
soon as possible

I remain

Yours faithfully

Wm Kirk Hobarth
