

I had a letter the other day from
Dr. Briggs, & greatly pleased with
your paper. He is an old friend
of mine, and of the Leisure Hour.
We have the Carboniferous paper
ready, the last is hand, and expect
others to arrive before they reach
you. The Devonian ships did not arrive
but we read the books very carefully.

Nothing is being done
now for them.

The Quebec Legislature
would doubtless give
an Instⁿ for them
a grant.

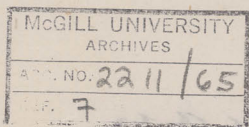

There is a Roman
Catholic School here
which gets one.

The Ontario ^{Govt} is building
a large Instⁿ for
their Blind.

Please return

Me the report or
table I now enclose
as soon as you have
done with it entirely.

Yours sincerely,
F. Mackenzie.

An Instⁿ for the
blind would get a
grant as a Charity &
would probably get
one also from the Eduⁿ
Dept as a school.
