Dear Sir John Dawson -

I bring myself to  
your recollection as I am  
most anxious to elicit your  
sympathy and support in  
behalf of my very dear  
friends the Rev<sup>d</sup>. W. Haslam  
and his wife - who are  
starting this week for a  
mission tour in Canada -

You too doubt know of him  
by repute as a mission preacher  
whose labours have been greatly  
blessed - and whose written  
works - "Death unto Life" -

"Get out I" - "Pirating  
from the top" 1: 2 -  
Have been sealed with  
Govt approval in the  
conversion and rearing  
of hundreds —

They go out in the 'Parisian'  
I think - Their work to  
Quebec - and thence will  
make their way on to  
Montreal - Toronto -  
Hamilton 1: 2 -

I feel sure that you  
and Lady Dawson will if  
it ~~is~~ is in your power - do  
all you can to help  
encourage & support dear

Mr. Huskisson in his mission  
work. —

He is a most dear friend  
of mine — whom we have  
good reason to love and  
to thank God for. —

and I feel confident his  
mission in Canada will  
not be in vain. —

I wish he was better supported  
by his brother clergy — but he  
is too real — too far ahead  
— for most of them. —

I have mentioned you to  
him as one whom it was a  
great honor & privilege to me  
to call friend — and one  
who I felt sure would hold

not the hand of Christian  
brotherhood - to a fellow  
servant of God. - and  
I am sure you will. -  
- I trust God's blessing  
will rest upon dear Mr.  
Hastam and in dear  
Canada. -

I hope all is well with all  
your party - and I would  
beg to be especially remembered  
to my old friend in the  
Boundary Commission -  
My wife desires her kindest  
regards and I proffer mine  
most heartily to you -  
be so not forget your kindness  
to us in Montreal.  
Yours very truly V. J. Rowe -
