

~~Parents or friends that the son~~
~~a great by needs~~
be consulted & respected in any
particular important thing by my
dear.

Our duty is the subject to be
run in daylight as good a start in
life as possible without depending
on the hands of others and to keep
in the hands of man in whom we
have confidence that shall any
one who refers to looking at computers
accurately & honestly and at the
same time economical in its
management.

Offer to St. Raphael

I will write weekly papers
I mean to say some down as to
the purpose which you have
appointed & another about your
very well known in July or Feb or until
I return to you that of your
business any other to my house.

There is only this by the
deputy law & no other to say

~~parents or father that the~~
~~is great by needs~~
be consulted & responded in any
particular a response that by my
dum.

Our duty is the subject to be
in a depth as great as that in
life as people without regard to
the needs of the present and to keep
in the present a man in whom we
have confidence that that any
one who refers to history of examples
concerns a healthy and at the
same time economic & social
management.

I will write weekly papers
to you to my journal down with
the purpose of writing for you
appearing to be written about your
my response in July or Feb or until
I return to you that of your
interest any other to my name
