

Dear Mr

I have today seen Mr
C. A. West who left with me the
enclosed Reports regarding that I
would inform you whether I am
entirely to the contrary. I have
~~great pleasure in stating that~~
I by my Memorandum in the Report
of Feb. The Report of Mr J. M. Dyer
Mr. Shaw and Mr. B. B. B. B. B.
The same are also Reports of the
the Camps. Will refer to the
papers they state that I am
entirely to the contrary of the
Statement in so far as the
extent, accuracy and purity of the
as, as cases and the purity
for the day and which is very
good, honest and correct. I say
that I have full belief of the
Reports of the locally and that
there is no mistake in speaking with
accuracy in the parts, as you
the picture surely of the as I have
never to be an expert but really
of the common sense and the
the first of the matter surely I can
believe that the will be of the best.

The West says he is to speak
particularly as to the extent of the
above. He is to be accepted of the
to support the local surely and for
an envelope to - as to the specimens
