

Private

M^cGill College.
Montreal.

My dear Sir,

You deserve the
thanks of every friend
of science, education, and
the material advancement
of the Dominion, for your
just condemnation of the
absurd military college,
as reported yesterday. The
Country needs no such
diversion of its young men
& wealth pursuits, and
the end could have
been far better attained
by attaching military in-
structors to the Science
Schools in which our
Supervisors, Surveyors and
