

I regret that there
should be any difference
between you and us
we say, but should
be glad unless to
write to Rich about
it as the parties there
have already placed
the ultimate in
his hands, and
should they arise
up to come
to adequate repairs
at an ~~early~~ ~~you~~
~~not to give up all~~
~~claim in the paper~~

If you wish this I
would enclose ~~to~~
a seal for all ~~us~~
the keys off at 10%
on nearly ~~to~~
decide up the matter.

Thank you
to see you
page is all in
but except to
