My dear Uncle Hunt

Your will be surprised
to hear that I have given
up my situation at Mr
Becketts, as I cannot put up
any longer with his muddeling
way of doing business, he
does not always speak the
truth and he never has
his contracts completed at

the promised time.

His business is falling off
very much and I believe
he has no credit in the
city of Hamilton.

I am going to Huntingdon
in the Province of Quebec for
the winter months partly
on a visit to some friends
I take a great interest in

I leave Hamilton on
Saturday morning first.

With fond regards to all

I remain ever
