I have not as Philadelphia.  
yet had any news. Sept. 12.  
from home. But if you are  
all buisy, that will be an  
ample ~~explanation~~ explanation. We  
took today <sup>to</sup> see the town.  
We went <sup>first</sup> to Girard col-  
lege, ~~where~~ <sup>which</sup> we saw  
there is a magnificent  
view from the roof. Then  
we went down to Inde-  
pendence hall. We are  
now at the Academy of  
Natural Sciences ~~to~~  
before evening to see the  
Zoological gardens. There  
are a large no. of stuffed  
animals & birds here. Also  
a large collection of skeletons  
of animals & skulls of men.  
In the 2<sup>nd</sup> gallery there  
is a collection of shells (R.D.)
