Dear Father,

I enclose the \$45
for which you sent a cheque.
I mailed this morning some
papers & a *Revue* *Arca* which
arrived yesterday. I find here
several *Spectators*, & a few
letters of no immediate impor-
tance, being memoranda &c. There
is a parcel from Dawson, &
one from Frothingham & Workman's
containing hammer handles.

You had perhaps better
address my letters to 260 St
James Street, as I will get them
in the morning in that way.

Yours affectionately

William.
