Dear Papa -

Here we
are safe & sound -
after a long hot &
dusty journey. The
weather fine & warm
breeze in full
blow - baskets of
a respectable size in
the garden - The
plantation of trees
quite a shade -
of course confession

reigns at present
I see feel no need
of a part of town
fields. The children
are as happy as lords
on the shore - I see
hope to be settled
& able to repair by
tomorrow -

I fear being
late for the end
home to "the boys" -

Affectionately
Adrian.
