GEOLOGICAL & NATURAL HISTORY SURVEY.

Alfred R. C. Selwyn B.L.D., F.R.S., Director.

MUSEUM & OFFICE, SUSSEX ST OTTAWA.

Jan 11 1882

Dear father,

Mr. Whiteaves had a note from Davidson on Lingula Canadensis today. He had previously looked for the species, but it cannot be found in the museum at all. A number of Billings's types are missing, & this is one of them. Whiteaves is about to write to Davidson. A second

Copy of the Report for 1878-79
was mailed to you yesterday
& I hope you may receive it
Safely.

Thanks for note on book on
B.C., just received

Your Affectionate Son

George
